SUMMARY

****Townhouses for sale in gated community in Las Terrenas**** In this new 24/24h secured project located in a quiet district on the outskirts of Las Terrenas a few minutes from the city center, there are 18 townhouses that are being built. The construction and finishing of these villas are with high quality and built by a European contractor who has already built several villas in the area. The villas have a total construction area of about 165m² (1784ft²). The living area is spread over two levels. On the ground floor you have a beautiful living room with modular kitchen, guest toilet, storage room with laundry and a maid quarter also a space where the gas water heater is installed. From the living room you have access to an interior patio where optional a Jacuzzi or pool can be build. Next to the kitchen, a staircase leads to the top floor where three bedrooms and two bathrooms are located. The master bedroom has a private bathroom with dressing room and balcony. The villa has air conditioning pre-installation. On...
