SUMMARY

PRICES ARE IN US DOLLARS. This gorgeous house is built on 5000 square meters of land completely walled in for optimal privacy. The main house consists of 3 bedrooms and 3 bathrooms decorated entirely by the owner, an interior designer from Napa California. He selected pieces from all over Mexico which gives the house an authentic Mexican Hacienda feel. The large gardens and numerous palm trees give it a special touch of true paradise! In the back of the property you have a 2 bedroom guesthouse with an attached 2 car garage and additional double height RV garage.
