SUMMARY

This unfinished 4 bedroom, 2 bathroom house is waiting for a new owner to complete it. Situated on 36,994 square feet (over 3/4 acre) it has room for expansion, a separate cottage or a pool. The living area opens in the front to a veranda, on the side to the dining and kitchen area and in the back to a corridor which leads to the bedrooms and bathrooms. The master bedroom has an en suite bathroom. A good concrete road leads to this very quiet residential area where utilities are near at hand. With some work done to it this could become a great family home.
