SUMMARY

La Vita Codos right in front of a beach that is so clean and uncluttered makes you wonder really where are you? This stretch of prime real estate is right in front of everything conveniently located, Anything you need. One of the nicest swimming, paddle board, kayak, walking beaches on the coast. Focus in this town is relaxed and kind centered on family. La Vita Condos are located in the right spot at the right time. WHY? because selling inventory here is starting to shrink and that all property available on the beach is disappearing rapidly. Soon there will be zero to be had. This is a good opportunity to get a piece of the beach and put your toes in the sand forever.
