SUMMARY

Q Sukhumvit is located on Sukhumvit Road at the corner of Sukhumvit Road and Sukhumvit Soi 6. Accessibility by car is relatively convenient considering that it is located on Sukhumvit Road. This is because, apart from being able to enter the project from Sukhumvit Road, drivers can also access the project using Sukhumvit Soi 6. This makes access quite convenient as Sukhumvit connects with Soi 4, which connects drivers to both Rama 4 Road and Sukhumvit Soi 3 from the other side of Sukhumvit Road. The real boast-worthy feature about accessibility is the projects' proximity to Nana BTS Station. Many projects advertise being within walking distance of mass transit lines, but often the BTS or MRT is at least 100 meters away. Q Sukhumvit is located right at the foot of the stairs of BTS Nana station. Furthermore, Quality House has dealt with BTS Group to create a raised platform private entrance linking directly...
