SUMMARY

Coldwell Banker are delighted to present this superb family home to the market. Located in the heart of the village of Courtbrack, this spacious home is ideal for those looking to trade up with easy access to Blarney and Tower where a host of amenities are available. Courtbrack is also located within easy reach of Vicarstown National School. The property itself was constructed in 2002 to a high standard and has been immaculately maintained by its current owner. Spacious living accommodation and bedrooms await the new owners of this magnificent property. The property also benefits from a partially completed attic conversion which can be easily completed to significantly increase the floor area and accommodation should the new owners wish to do so. The property is constructed on a private elevated c0.35 acre site which is not overlooked from the front or rear, whilst still being strategically positioned in the heart of the ever expanding Courtbrack village. Viewing highly recommended by appointment only.
