SUMMARY

(HDV-097-26218 JP) Living in High Park in San Pedro Garza García is a unique experience not only for its strategic location, spectacular views of the city or the mountains or the distinguished environment but also for the design of Rojkind Architects with the achieved integration of the spaces for a harmonious coexistence by its connection to the gardens, terraces or outdoor spaces. In its 349 m2 of white and finished work are the three bedrooms with their respective bathroom, the living room and dining room area, the kitchen and the sensational terrace of 72 m2. To know and value this department contact us and we will show it with pleasure.
