SUMMARY

Welcome Home!! This stunning Upper Mission home is over 4000 square feet and features amazing Lake and Valley views. The main level begins with a large foyer which opens to the living area and 10 foot ceilings! The kitchen includes SS appliances and granite countertops. Enjoy your dinner from the large nook overlooking the Lake and city lights. The Master Bedroom is enhanced by the expansive Ensuite and large walk in closet. Working from home? An office with large windows is also conveniently located on this level. Downstairs you will find a large games room with in floor heating and wet bar along with 2 additional bedrooms and a theatre room that can't be missed. A nanny suite with a separate entrance, bedroom, bathroom, and wet bar/living area complete this home. We can't forget the built-in sound system on the main level and balcony as well as the 2 separate driveways with RV power hookup!! The features are almost too many to list
