SUMMARY

Cutrofiano - Lecce - Salento In Cutrofiano, in the country of ceramics, we have the pleasure of proposing for sale a single house arranged on two levels to be renovated. The ground floor, accessed by a double front door, boasts original floors, vaulted ceiling and consists of entrance, lounge, 3 bedrooms, bathroom, living room with fireplace and small kitchen. An overdraft behind the scenes completes the property. Upstairs, accessible by an internal staircase, independent and accessible also from the outside, we find an entrance, a lounge, a bedroom, accompanied by the balcony with overlooking Chiusa Street, a bathroom, a kitchen with a fireplace and balcony, and finally a Living room. In addition, the house is equipped with numerous rooms to be used for various uses. The solar slab, which is exclusive to the property, is an additional outdoor space of this house. The solution, thanks to the internal...
