PRICE: CAD 4,514,337

SUMMARY

This rare property in Cap Ferret consisting of two semi detached villas, offers multiple possibilities to suit any family and lifestyle. The first house consists of a living room with a fireplace, an open plan kitchen and two spacious bedrooms en suite, each with their own private terrace, a jacuzzi is perfectly situated facing the garden and dunes. The upper floor leads to a large bedroom en suite with a living room and private terrace where a jacuzzi has views out onto the pine forest. In the second house, the ground floor consists of a large living area with a cathedral style ceiling opening onto a terrace facing the garden, two bedrooms and a bathroom. The upstairs leads to two bedrooms under a mansard roof, a bathroom and a large landing which completes this property. This property is perfect for different lifestyles with its large garden, easy access to the ocean and ideal situation close to the centre of Cap Ferret...
