SUMMARY

GALLIPOLI In the central area of the city, a few steps from the sea, beautiful penthouse of about 80sqm with swimming pool and solarium located in an elegant recently built condominium now available for sale. The property consists of entrance hall, open space living room with kitchen island, one bedroom with walk-in closet and one bathroom with shower. From every room of the house, through sliding glass windows, it is possible to access the large perimetral terrace of about 70 sqm which enjoys a beautiful view on the Gulf of Gallipoli. The penthouse also has a 120sqm terrace on the upper level equipped with a 6x3 swimming pool and solarium where you can spend relaxing moments and enjoy the poetic sunset and its "blue light" on the Ionian sea. The apartment is equipped with underfloor heating, alarm system...
