SUMMARY

Porto Santo Stefano, Appetito. Beautiful apartment located in one of the most popular and bright areas of the country. In excellent condition, it boasts a large size and spacious and well-distributed interiors. It is accessed directly from the large living room divided into a dining area and living area with a fireplace and adjacent to the kitchen. A corridor leads to the sleeping area divided into a master bedroom with an en suite bathroom, two other large bedrooms, and a bathroom. All the rooms have an exit to the outside and this, thanks also to the excellent exposure, makes them particularly bright and airy. The exteriors are certainly the strong point of the property. A large terrace, exiting the living room and the master bedroom, offers all the space necessary for outdoor dining and creating living areas where you can...
