SUMMARY

Rome - Apartment for sale in Mostacciano The apartment we offer for sale is located in the Mostacciano district, close to the EUR. It is located in a three-storey building in curtain equipped with elevator and condominium garden. The apartment develops an area of about 200 square meters distributed in the two floors, 2nd and 3rd connected internally by staircase. In 2016 it was totally renovated, even in the certified gas, water and electricity systems and the distribution of spaces was modulated for a more modern and comfortable use. The entrance leads directly to the lounge that houses a spacious American kitchen open onto the dining area. This room has access to the 18 sqm terrace, equipped with motorized sun curtain, where you can have lunch outdoors. To the left of the entrance. always open to the lounge. we have a TV...
