SUMMARY

A next to new beautiful open concept home with a huge detached garage complete with a second story loft! This home has it all from a large private lot to an above ground swimming pool, high end finishes, 9 foot ceilings, and large rooms. Walking in the side entry of the home you are met with a spacious entry way that leads up to an open concept main floor. The well laid out kitchen has high end cabinetry complete with quartz countertops, and modern fixtures. The master bedroom is spacious and complete with a large closet, and en-suite bath. The second bedroom completes the main floor. The completely finished lower level has 2 additional bedrooms, a huge rec room, full bathroom, and plenty of storage. The home has been spray foamed to increase efficiency and has all high end finishes. Call today for your private viewing...
