SUMMARY

POGGIO BERNI - We present for sale an ancient farmhouse of the '500, completely renovated in 1999, with a splendid panoramic view. The property is on two levels, consisting of ground floor with large living room with fireplace, generous kitchen with dining area, hallway, two bedrooms and bathroom. On the first floor there are four bedrooms, a walk-in closet and a bathroom. The property includes a large garden, a comfortable veranda ideal for spending pleasant moments outdoors and an outdoor parking area. The property is characterized by fabulous ceilings with wooden beams and handmade brick floors of the time, which make the context unique. Currently the property is used to host two separate families.
