PRICE: CAD 599,000

SUMMARY

This piece of paradise is hidden in the heart of Muskoka. Three km off the hwy, on concession 4 & 5 East, there is 100 acres of privacy. This property has a 4 bedroom, two storey house, with a poured concrete basement. With the electrical roughed in, it is solar or generator ready along with a well and septic. The structure is 75% complete and ready for some finishing touches. With wood heat and propane backup, this can be a four season retreat or year round residence. There is a stream that flows by the front door with a dock for relaxing or trout fishing. This stream is spring fed and
