SUMMARY

This residential lot of 11,431 square feet is located in the Redwood Development in Greenside, Trelawny. The 70 acre development is populated with beautiful redwood trees and the gently sloping terrain provides breathtaking views of the surrounding hills and looks straight out to Falmouth and the sea. Falmouth is a landmark town known for its many old, historic buildings and the Falmouth Cruise Ship Pier. This development is also close to the Royalton and Melia hotels, Good hope Plantation and Hampden Estate while being only 20 minutes from the Sangster International Airport in Montego Bay. It provides a unique opportunity for a discerning buyer who is looking for great value in a wonderful location and a chance to build their dream home.
