SUMMARY

This is a wonderful contemporary "warehouse style" living experience. A light & airy top floor loft-style condo. So open, spacious, high 10' ceilings, and room to be so creative with multiple ways to set up your space. Dark chocolate cabinets with beautiful countertops provide a full kitchen and 4 piece bathroom and has laminate throughout the condo. Being on the top floor also provides a relaxing view when on your patio which also offers plenty of natural light with a north facing balcony. Located across from Keyano College & the Wellness Centre, close to shopping, restaurants, banks & schools. This is also a great opportunity as an investment. Condo fees include heat & water.
