SUMMARY

Welcome to Malibu Street! Here is your chance to build your next home in the fast growing community of Marysville in the city of Fredericton. This area is rich in history and is a well established family oriented neighbourhood. This quiet cul de sac is close to both French and English Schools. These properties are also very close to the Snowmobile and ATV trails. These lots are city serviced and ready to build on. Interested in putting a Home and Land Package together? We can make that happen as well. Contact me today and let me help you build your dream home. Please note HST is applicable on top of the sale prices. (id:885)
