SUMMARY

Great opportunity on the eastside of Bamfield, former bed and breakfast for sale. Half acre lot with a four bedroom and five bath home within walking distance to the stores and docks, and with plenty of parking for guests. The home has many recent upgrades such as new hardi board siding, interior fully painted, new carpets and underlay in the lower floor and new drywall with recessed lighting just to name a few. The main floor offers two bedrooms with ensuite and an open concept living, dining and kitchen with a large wrap around deck for summer entertaining. The lower level has two large bedrooms and three bathrooms with a covered patio making this a great option for a B & B or for your own private get away. (id:895)
