PRICE: CAD 99,999

SUMMARY

This is a first time home or an investment property at a very affordable price. The home boasts 2 bedrooms up and 1 down, 2 bathrooms, a partially finished full basement, a large lot easily accessible from front and back and includes a wired garage with a cement floor. The nice-sized living room has the original hardwood flooring, the furnace, hot water tank, windows and roof were done in the last 6 years and new siding in the last 2 years. You cannot beat the price! Call your agent, come on down and have a look before it sells! (id:885)
