SUMMARY

WELCOME HOME- This amazing 4-bed, 3-bath home is located in the preferred North Port area close to schools, recreation, shopping and includes many updates. Upstairs you will notice the open living area with natural gas fireplace, a new kitchen with a gas range and new appliances, and a dining area with access to a covered deck just steps away, perfect for entertaining family and friends. You will also find the primary bedroom with 2 piece ensuite, two more bedrooms, and 4 piece main bathroom that completes the main floor. Downstairs offers plenty of options with a family room, another rec room area for the kids or a mancave/theatre room, 4th bedroom, 3 piece bathroom, and laundry room. Need room for your toys? This corner lot provides alley access to a detached shop heated with natural gas, 240 power, insulated
