PRICE: CAD 199,000

SUMMARY

This could be your little Hobby Farm in the 103 Mile subdivision, raised beds for flowers or produce. There are fruit trees and raspberry bushes. 2-3 bedroom manufactured home with additions on a quarter acre, fenced and cross fenced. A wood stove was added for those cozy winter days and evenings. The kitchen is open to living room and nook with wood stove. The covered porch is perfect for BBQing year round and accessing the fenced yard. L#0443 (id:885)
