SUMMARY

Have you been looking for that perfect building site that is in a rural setting with low taxes but only minutes to a hospital and shopping? This is the site for you. Land is migrated, recent survey and municipal water and sewer. No Restrictive Covenants and ready for a new home, mini home or cottage. Very close to River Inhabitants and, I am told, some great fishing. Canoe, Kayak or sit and enjoy all nature has to offer. Two minute walk to the local hospital and only minutes to the Town of Port Hawkesbury. (id:885)
