SUMMARY

Looking for acreage in an unorganized township? This is your chance. This 143 acre lot is full of potential, and is only a 25 minute drive from Temiskaming Shores. Mineral and Timber rights are included with this property, and the wild life that frequents the lot is a hunter's dream. Beautiful trails could be easily groomed here. There is currently a house under construction on the front end of the lot, and has potential for a new owner to finish it into a beautiful 4 bedroom 3 bath home, or plenty of opportunity for you to make it your own design. Plan in pictures is for reference only and is not a current layout. (id:885)
